### Instructions for Sugar/Salt Scrub Using Whipped Soap Base

What you'll need:

<b>Whipped Soap Base</b>	<b>Fragrance oil or essential oil</b>	<b>16 oz sugar or salt</b>
<b>Other additives (optional)</b>	<b>Mixing bowl</b>	<b>Hand mixer</b>

### Instructions:

1. Add 16-ounces of the base to a mixing bowl and add 4 oz of any oil (almond, grapeseed, hemp, olive)
  2. Begin gradually mixing the base, increasing the mixing speed
  3. As the base softens, while still mixing, add 16 oz of sugar or salt
  4. Add fragrance, essential oil, color and any additional additives that you desire. (Do not exceed 2 oz of fragrance.)
  5. Mix the base until you have reached the desired consistency
  6. Stop mixing, and allow the product to rest
  7. Scoop the finished product into your selected packaging
